5 I dunno, I think if I ate 80% of a pie, my wife wouldn't accept me saying it was just "a portion"

5 I remember the video where DC LEO refused to protect pedes from a howling Antifa crowd. Watch your back.

4 We stay together. If you're on the front line and an oathbreaker grabs one of our people, you grab him too and pull him back into the crowd. No pede gets arrested if we stick together.

2 If they're actual oathbreakers who are acting like domestic enemies and interfering with patriots I think disarming them and stripping them of their uniforms is totally appropriate. With a large enough crowd of armed patriots they'll be hopelessly outnumbered and we can do a little better than not getting arrested.

1 Keep this energy patriot I agree, I'm willing to shoot police in DC if they go to disarm any open carrying brothers and sisters

I really want to believe most cops are good cops who get into the police for the right reasons. However, apparently Democrat politicians are misusing the police in an attempt to get everyone hating police so they can replace them with "city security."

1 You can recognize the shills by their attempts to cause confusion and fights within our ranks.
